

CLOSING-OUT AND REMOVAL SALE

Our removal to Maryville in the spring will not interfere in the least with our business arrangements for our nursery trade this season as usual.

I will remain here to look after the interests and needs of our patrons

six days in the week until this stock is exhausted.

We have a good lot of the best trees ever grown in Holt county.

We have refused to sell them to any WHOLESALER, because we want our farmer friends to plant them right here in the world's "garden spot" of Northwest Missouri. No better opportunity will ever knock at your door, for becoming the satisfied owner of a good "home orchard."

Yours For The Family Orchard.

Game of the Season.

A crowd that taxed the capacity of the high school basketball gallery and court, Tuesday night, Jan. 13, saw the "fats" and "leaves" teams, picked from the prominent business men of Oregon, play a game of basketball. During their practice period, the crowds were put into a frenzy of enthusiasm at the many labored efforts of the amateurs to find the basket. Whenever the ball happened to find the envious circle, the applause was deafening. The court was so crowded with spectators that it was hard to keep them back. Everett Erhart was the referee, and many times, when he blew his whistle for a foul, the players would not hear him, and kept on playing until the referee had to wrest the ball from them. The game was played

in four quarters of ten minutes each. Some of the "leaves" vied with a lamp post for slenderness, while some of the "fats" were worthy to be compared with the family wash tub. It was a well-played game on both sides, but the "fats" finally nosed out by a 21 to 14 score. The players were as follows:

Fats—Dr. B. G. Pierce, W. T. Walker, Ed Dunham, Charlie Patterson, Ira Bucher, Oakley Morris, Chester Springer, W. H. Alkire.

Leaves—Will Bragg, Don Martin, Charlie Kooch, Clare Castle, John Lacey, William Stewart, Levi Schulte.

The proceeds, about \$55.00, went to the high and grade schools toward purchasing Edison and Victorolas. Doctors and surgeons and stretchers were ready to carry the wounded off the field of battle, but no players were seriously hurt. This game will stir up much interest for basketball in the future. Many people were there who had never been there before or seen a basketball game. Every one there went away rejoicing that they had received their money's worth and their right change back.
